

PERMISSION TO SOLICIT FORM

The National Creditors Bar Association and its Political Action Committee, NCBA-PAC are hereby authorized to solicit contributions to NCBA-PAC from the executive and administrative personnel of my firm/company in each of the calendar years below for which I have provided my signature. I am the appropriate designee (i.e., CEO, Managing Partner, Primary NCBA Contact) to provide this authorization.

This authorization does not obligate my firm/company or its employees to contribute to NCBA-PAC. It does allow NCBA-PAC to provide updates on political and legislative issues and activities. Authorization can be given to only one trade association federal PAC per year. The firm/company may withdraw its authorization at any time.
